By Green_Eyed_Bandit Book is drawn and written very well and works very well as an origin story for those with no background on the CVO series. 0 of 0 people found the following review helpful. Great book. By Monster Not sure what that Lightbearer reviewer was crying about, but this is a very

good series. I gotta admit, it was much better than I thought it would be.

When a mole in CVO exposes the whole organization to danger, things look bad for America's first line of supernatural defense against growing global threats. With fellow agents being killed all around them, The vampire spies of CVO may find themselves out in the cold. Jeff Mariotte (CVO: Artifact) and Antonio Vazquez offer up a fast-paced combination of horror and espionage.
