I recently gave one away as a gift to my second cousin who is 8 and LOVES coloring. Excellent illustrations, great attention to detail, and very fun to color.0 of 0 people found the following review helpful. Love this coloring bookBy Kelsey CorkLove this coloring book!! The pages are single sided so markers don't bleed and it has a great variety of animals and underwater scenes. I also love the range of challenging and easier pages. Can't wait for Emily's next coloring book!0 of 0 people found the following review helpful. Makes coloring a delight!By Linda T.This talented artists delights with her coloring books! She has an eye to give the commonplace a unique look that makes the coloring so much fun. I will buy any coloring book she publishes and happily give them as gifts.
