Arthur Henderson-Ty : Discover: Proxima b: Mission: Surface Scan Analysis before purchasing it in order to gage whether or not it would be worth my time, and all praised Discover: Proxima b: Mission: Surface Scan Analysis:

Take a relaxing journey to a far away place! As we begin to receive our first surface scans from the newly discovered planet Proxima b, we are presented with magnificent landscapes and scenery. As the newest member of our image analysis team, we are counting on you to help us identify features in the terrain, natural or alien-made, using your favorite coloring medium (pencils, pens or markers) and most importantly your imagination!
