**William Price Fox : Doctor Golf** before purchasing it in order to gage whether or not it would be worth my time, and all praised Doctor Golf:

book, great author, super happy with author. 0 of 1 people found the following review helpful. A book of 100 bad golf jokes  
By Louis Mauriello  
This book is written in the style of endless joke letters written to the so-called Dr Golf personality who responds with just as big a joke response. In my view the jokes are stupid but if you like stupid jokes about golf then this might be the book for you. Mine is on its way to the trash.

Laugh-out-loud answers to life's golfing questions.

From Library Journal  
Organizing this 1963 work in a "Dear Abby" style, Fox fields questions ranging from the rules of caddy flogging to the low state of dress on U.S. courses. The humorous responses are bolstered by many equally silly illustrations. Golf nuts will love it. Copyright 1995 Reed Business Information, Inc.
