Bryn Parry : Dog Training with Mr Perks before purchasing it in order to gage whether or not it would be worth my time, and all praised Dog Training with Mr Perks:

The popular Mr Perks, from the gundog section of The Shooting Times, moves into dog training Anyone who has ever been humiliated by man's most disobedient friend will love this book What Mr Perks doesn't know about dog training could fill a book . . . and here it is. Mr Perks is sporting cartoonist Bryn Parry's invention. Mr Perks, sometimes with the help of formidable Mrs Perks, relates the history of the dog, describes some sporting breeds, and then jumps into basic and advanced gundog training. Mr Perks considers himself the leading authority on the subject of dog training--sadly for him, the dogs do not agree.
