Gretchen Hocking : The Bar Wench from Hell before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bar Wench from Hell:

0 of 0 people found the following review helpful. Hysterical story! My mom is character....By Celena DayGreat book! My mom, is Helen, one of main characters. I'm her daughter. Great read. Very comical!0 of 0 people found the following review helpful. Four StarsBy JoyceFun

You may see yourself in this book if you have ever eaten in a restaurant or sat at the bar of your popular, local watering hole. If you don't see yourself, then you will definitely see someone you know. For all those who are sitting at a table, and not within earshot of the bar, let me tell you what really goes on. (Sensational Bar Lounge Humor, from tasting critics to sports lovers.-ASAPubNews)
