Marilyn K. Martin : The Best Computer Humor On The Web!: A Four Book Collection of Anecdotes and Jokes before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best Computer Humor On The Web!: A Four Book Collection of Anecdotes and Jokes:

"Can you copy the Internet for me onto this disc?" Yes, we all marched up that steep Learning Curve to become computer-literate. And along the way, we added a few DIY aspects for Security (usually involving power tools and super-glue), and bought mousepads on sale, only to wonder how the feet of mice actually adhered to them. This four book collection contains Marilyn K. Martin's humor columns for Jack Dunning's ComputerEdge weekly on-line magazine. And it will have you doubled over with laughter, whether you are Tech Pro or still-learning User! "No, Sir. Your computer doesn't come with a cup-holder. That's your disc drive tray."
