before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book Of Boyman:
My Hilarious Standup Jokes, Poems, And Puns 2005-2008:

Big laughs at your cost and at my expense. Slapstick Slapschtick, Woidplay, Punny Puns and ImbeSilliness. Hilarious

Poems that actually rhyme! Perfect for Keg, Frat, and Afterbirth-day parties. Heckler comebacks. Don't worry, be sappy. Revirginize yourself. Warning: Not for home use. Boyman's jokes may unhouse-break your dog. After hearing my jokes you'll be less afraid of deafness. READ ALOUD for the FULL EFFECT!!!

About the AuthorDr. Bruce Boyman was conceived and born in 1956 in Brooklyn, NY, which gives him an unfair advantage over other comics. He left Canarsie after graduating Brooklyn College with a BSc, and graduated the New York Chiropractic College. He then practiced in Danbury, Conn. for 15 years until the fates destined him for Vancouver and Battle Ground, WA. Boyman has two beautiful children, Sonny and Landon. Bruce Boyman believes in perserverence and resilience. He's been influenced by The Beatles, King Crimson, Jimi Hendrix, the Panther tank, the F4 Phantom, Ayn Rand, the Golan Heights Valley of Tears 1973, Herk Harvey's Carnival of Souls, the Eastern Front 1941-45, compound interest, Norman Rockwell, Jethro Tull, the destructive and vicious Family Court system of Washington state, Van Halen, The Connecticut real estate crash 1988-2001, Dali, the two scratches on the subway armrest in the early 70's, BH Liddell Hart, West Side Story, Wayne Dyer, the Hubble telescope, Star Trek, The Outer Limits, Led Zeppelin, Queen, Fripp, Arnold Schwarzenegger, Monty Python, Steven Wright, the bus driver wiping his forehead as he drove past me that night in the 70's, Americans serving us abroad with their asses on the line, ditto the IDF, the Portland Comics, Chiropractic, Dennis Wolfberg, Art, Monica, Maddy, Wanda, Teresa, Susan, Kim, Ric and Ric, Anna, Lewis, and Joel back then. Oh, and Leo. I'm here to create laughter with my comedy life, to apologize for all the lesbians I created with my sex life. Boyman has performed his unique and unusual style of comedy in the great Pacific Northwest for six years. If you use this book at a keg party, you better bring extra underwear. My parents were Jewish, so my Christian name was Putz. Boyman is available for performance, script-writing and comedy embellishments, choreography, and if advanced aliens land here I should talk to them first. Boyman's Favorites: Bounty, Starbutts, Adoof Hitler, Eunuch-nyuk-nyuk, Trisexual, Elmer Fudd as the Wode Wawwia, Nuclear Family, Four Whore and Seven Beers Ago, ReJewvenated..... My jokes will chase that gerbil right outta your ass. I enjoy sharing my insights with groups of people, which is much easier than weirding you out one at a time.
