Dr. David Brunner, Sam Stall : The Cat Owner's Maintenance Log: A Record of Your Feline's Performance (Owner's and Instruction Manual) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cat Owner's Maintenance Log: A Record of Your Feline's Performance (Owner's and Instruction Manual):

0 of 0 people found the following review helpful. Gets the job done, but reads like a car owner's manual. By HKI bought this book for a friend who adopted one of our rescue kittens. The kitten had a rough/sick start to life, so there was a lot of medical history I wanted to be sure got passed on properly to her vet. A book like this seemed like the perfect solution, so I filled it out and it was her "Happy new baby!" present. While the book has a lot of room to log

everything, I can't say I liked it very much. The writers were trying to be funny, so the entire book reads like a car owner's manual. I can definitely imagine other's liking it and finding it funny, but I was hoping for something a little cuter. I assumed this was the case from the cover, but bought it anyway because I couldn't find any cuter options. Definitely got the job done, though. 1 of 1 people found the following review helpful. Five Stars By BelleGreat book to keep your pet's "maintenance". 1 of 1 people found the following review helpful. Five Stars By AlureLove these books great log for kitty owners to keep track of all kitty stuff

Important: Please Read Before Proceeding Use The Cat Owner's Maintenance Log to monitor the performance and operation of your feline. Please document every visit to your service provider. Please record all medications administered to the feline. It is important to attach photographic evidence of the feline on the specially marked pages herein. The extended warranty will not be honored without these materials. Additional paperwork and receipts can be stored in the provided envelope. In the event of a malfunction, please bring this entire notebook to your service provider. Thank you for your cooperation.

About the Author Dr. David Brunner specializes in treating small animals—cats and dogs. He has two daughters, Molly and Kendell, two black Labrador retrievers, and a wonderful cat named Mouse. He is also the coauthor of *The Dog Owner's Manual*. Sam Stall is the coauthor of *The Dog Owner's Manual* and the author of *The Good, The Bad, and the Furry*. He resides in Indianapolis with his three terrier mixed-breeds, Tippy, Katie, and Gracie, as well as his wife, Jami (who has no terrier blood whatsoever), and their cat, Ted.
